

AnimalLogic

Solve the Puzzle to Stop the Stampede!

Winner of the 2009 Parents' Choice Gold Award.
Named one of "the year's best educational toys" by USA Weekend.

The river is rising and the rapids are raging! Can you help the animals to safety by solving the puzzle? **AnimalLogic™** is a brilliant new puzzle game that will have children working their brain overtime to solve these wonderfully smart safari stumpers. Lions, hippos, giraffes and camels are all waiting to get to the other side of the river. Animals can only cross the river bridge one at a time and they must travel in the proper order to safely arrive at the other side. Sixty puzzles and five levels of difficulty.
