

Wimzle

The logo features the word "Wimzle" in a playful, rounded, orange font with a light blue outline and a white drop shadow. Above the letter 'i' is a molecular structure consisting of a central orange sphere connected to four other spheres: a yellow one to the top-left, a teal one to the top-right, a purple one to the right, and a small grey one to the bottom-right. Each of these four outer spheres is enclosed in a white circle with an orange border.
