Dado Cubes combine art and science as you explore architectural principles . . . proportion, balance, structure and color. A new twist on classic building blocks, Dado engages your imagination as the slits on each cube are interlocked to create an unlimited number of three-dimensional structures. Constructed horizontally, vertically or nested together, Dado invites visual spatial development and problem solving through design-centered, attention-grabbing fun!

- Loaded with educational benefits
- Each set features 10 cubes, scaled from 1 inch to 5 inches, capable of building structures over 32 inches high!
- Durable, heavy gauge plastic construction
- Developed, manufactured, and assembled right here in the USA!
