

The logo features a central cluster of six interlocking hexagons in blue, orange, yellow, pink, green, and purple. Each hexagon has a 3D effect with a central sphere and a black outline. Overlaid on this is the text 'pop'emz!' in a large, white, rounded font with a thick black outline. Below it, the words 'suction craft' are written in a smaller, white, sans-serif font, also with a black outline.
