

ACUITY

A Perfect
Game for the
Entire Family!
No Reading
Required!

THE GAME OF
SHARP VISION
& KEEN THOUGHT

**Reinforces
Visual-Spatial, Critical
Thinking and Pattern
Recognition Skills!**

Acuity is the clever matching game of quick visual perception where players race against each other to discover and match hidden patterns. Beware! Your mind's eye could trick you.

With simple rules, Acuity is one of those rare games the entire family can play together. No reading required - just the ability to flip, turn and match!

Featuring 70 durable and vibrantly mind-bending pattern tiles, Acuity will delight all ages while reinforcing the importance of visual spatial skills and pattern recognition.
